

# ELEVATOR ACCESS TERMINAL

**VISPRO-EAC** is an elevator access controller that simplifies visitor movement within modern facilities. Using Face ID or QR code verification, it registers the visitor's destination floor and seamlessly integrates with the elevator system to call the appropriate elevator—ensuring secure, guided, and efficient vertical access.

- ◆ Multi-credential authentication using facial recognition, RFID cards, and dynamic QR codes for secure, flexible visitor verification
- ◆ Binocular facial recognition system with live-detection capability, supporting for high-volume environments
- ◆ 8-inch full-view IPS touch display with sound interaction designed for clear guidance during elevator access workflows
- ◆ Integration compatibility with major elevator manufacturers, enabling seamless deployment in modern building infrastructures
- ◆ IP65-rated enclosure suitable for both indoor and outdoor elevator lobbies, supporting operation from -20°C to 60°C
- ◆ Android 11.0 operating system, ensuring reliable and long-term stable performance

# TECHNICAL FEATURES

## GENERAL

### CPU

RK3566 4x ARM® Cortex™  
A55 up to 1.8GHz

### Display

8-inch, Full View, 170° IPS LCD,  
800x1280 Resolution

### Camera

200 Megapixels  
Vertical Angle = 65°,  
Horizontal Angle = 40°

### Data Interface

USB 2.0x2

### Communication Ports

Ethernet (10/100Mbps),  
Wi-Fi (2.4 GHz)

### Storage & Memory

64 GB ROM, 2 GB RAM

### Wiegand Interface

Wiegand 26 / 34 Support

## MECHANICAL

### Dimension (L x W x H)

124 mm x 20 mm x 260 mm

### Weight

1000g

### Installation

Wall-Mounted, Column Mount,  
Gate Mount

## ELECTRICAL

### Power Rating

12 VDC / 2 A

### ESD Protection

IEC 61000-4-2, LEVEL 3

### Power Source

AC to DC Adpter/ POE Injector (included)

## ENVIRONMENTAL

### Operating Temperature

-20°C to 60°C

### IP Rating

IP65

### Operating Humidity

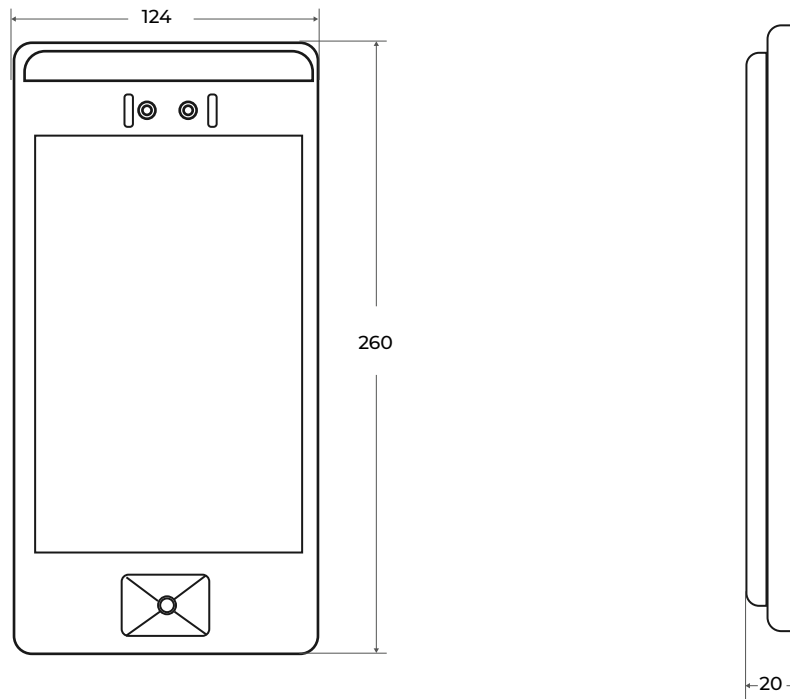

20% to 95% (non-condensing)

### Usage Environment

Indoor, Outdoor

Note: all units are in mm

## ORDERING INFO

- VISPRO-EAC-W** : ELEVATOR ACCESS TERMINAL - Wall mount
- VISPRO-EAC-C** : ELEVATOR ACCESS TERMINAL - Column/Gate mount

## ADDITIONAL ADD-ONS

- VISPRO-EAC-CS** : Cloumn/Stand for Elevator Access Terminal
